

## ALL ABOUT DENNIS

Dennis was raised on a farm near Germantown, Illinois. After a tour in the US Army as a UH-1H Crew Chief/Pilot, he graduated from California State University and National University S.D. with a MBA in Finance and Marketing.

In Corporate Finance, he obtained the skills and background to sound Financial Management. He credits his skills as a Finance and Marketing Manager to perception that long term planning is fundamental to financial success.

Dennis embarked on a career in Financial Planning after retirement from the Defense industry. As a Registered Investment Advisor he has extensive experience in Asset Allocation, Retirement Planning and Safe Money Preservation.

Dennis has conducted educational programs for many years. His programs have been widely attended by retirees of major corporations such as Kaiser-Permanente, Boeing, Hughes Aircraft, Northrup-Grumman, Pepsi, Guidant and Abbott Laboratories.

Recently, he qualified to become a Registered Investment Advisor within Railroad Canyon Financial Services

In 1997, Dennis co-founded the 501(c) Networking for Seniors organization to reach out to the care providers and caregivers in the community. He is still active as Executive Director of that foundation. ([www.networkingforseniors.com](http://www.networkingforseniors.com))

Market focus, passion and understanding the needs and trends of Baby Boomers and their Parents,.....known to us as..... "the Greatest Generation" are the contributing factor to accelerating his achievements.

*If you are looking for a qualified Financial Advisor to help you eliminate your exposure to market risk, with reasonable returns, then Dennis, with over 20 years experience is your man!!!*
